

Amendment Under 37 C.F.R. §1.312
USSN 09/869,142

REMARKS

In this Amendment under 37 CFR §1.312, claim 73 has been amended for clarity.

More specifically, the Notice of Allowance included an Examiner's Amendment of claim 73, which recited an "isolated" polynucleotide within an isolated microorganism.

Correction of claim 73 is therefore requested, to clarify that the isolated microorganism comprises the polynucleotide.

No question of new matter or questions of further search arise.

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
